

# Celtic Garden

This product will make your garden always look perfect, equipped with our Max Recover system and BodyShape "C".

Celtic is a model that has the perfect combination of softness and recovery. With a height of 1.18 in and textured with green and brown curl this artificial turf will make you spend hours and hours admiring your garden.

Special for private gardens of high standing, terraces, play areas with pets, and/or commercial applications. Recommended for areas of medium transit use.
